

THE GALLEY TAP - LIMITED LIFETIME WARRANTY

1. GALLEY TAP LIMITED MECHANICAL WARRANTY - Seller warrants its products, installed in a residential application, to be free from manufacturing defects in materials and workmanship for a period of five (5) years from the date of purchase by the original consumer/owner. This limited warranty is subject to the warranty conditions and limitations as set forth below.

2. GALLEY TAP LIMITED LIFETIME FINISH WARRANTY - For the following Finishes: Polished Stainless Steel, Matte Stainless Steel, PVD Satin Black Stainless Steel, and PVD Gun Metal Gray Stainless Steel, seller warrants its finishes, installed in a residential application, to be free from manufacturing defects in materials or workmanship for the useful life of the product from the date of purchase by the original consumer/owner. Please refer to the Seller's Care Instructions for the proper maintenance of Seller's finishes. This limited warranty is subject to the warranty conditions and limitations as set forth below.

3. WARRANTY CONDITIONS AND LIMITATIONS - All of Seller's warranties are strictly limited to the first residential consumer of its product. Seller's Mechanical and Finish warranties are strictly limited to products correctly installed using our installation instructions and used in a residential environment. Mechanical or finish problems which result from abuse, misuse, improper installation, improper maintenance or improper cleaning, proximity to bodies of salt water, or accidental damage such as scuffs and scratches are not covered by this warranty. Seller does not assume liability for labor charges, removal and re-installation expenses, freight or postage charges, or injuries resulting from a defective product. This warranty does not allow recovery of incidental or consequential damages such as loss of use, property damage, or any other consequential damage and Seller accepts no liability for such damage. Seller does not assume any responsibility other than to repair or replace the defective part(s) after Seller, upon its examination, has determined the product to be defective and the defective part(s) are covered by the limited warranty expressed in this warranty. Whether to repair or replace the product or its finish shall be at the sole election of the Seller. The use of Plumber's Putty will void this warranty. A non-corrosive epoxy silicone sealing compound may be used. Seller hereby disclaims all other warranties, expressed or implied, other than those set forth in this warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
